

VISUAL BULLETIN

Visual Bulletin is the Official Branding society of Thapar University. It has been a publicity and media coverage partner of all the major events that are held in the university like Mudra, Izhaar, Thaparlympics, Nox Night, Sur Night, Aranya etc. and has organized workshops on video editing and VFX.

DATE : 15th – 16th November 2014

The society conducted a workshop in collaboration with Frameboxx Company. The event was held for two days from 11 AM to 5 PM. The instructors from Frameboxx company taught some basic photography techniques such as use of different lenses for different uses. The workshop gave briefing about all the functions in a DSLR such as ISO, Shutter Speed, Lens Focus and some very smart photography techniques using the above knowledge. Further they discussed video editing and motion graphics using Adobe Premier Pro and After Effects Some tips and tricks and to use Adobe Premier to make a movie. They used Adobe and After Effects and explained how to use keyframes and various effects and their interaction with each other. On the final day, they took students outside for practical exposure.
