

Formula Student ITALY 2017 –

Formula Italy is an international competitive and sport event with the objective of promoting innovation developed in academic institutions across the world and applied to sustainable ecological mobility. The Student Teams are evaluated and awarded by a Technical Committee, formed by experts in the field from industry and institutions, the basis of the characteristics and performance of the vehicles, their level of innovation and the industrial aspects.

The outcome of the event is expected to be beneficial for a cross fertilization of initiatives of academic institutions, for the interaction between university and industry in terms of technology innovations and for the diffusion of the culture of the ecological vehicles.

Event Location: Riccardo Paletti Circuit, Strada per Fosio 1, Varano de' Melegari, PR 43040, Italy
Event Dates: 19th July to 23rd July
