Dear Sir / Madam,

Thapar University, Patiala, is one of the premier educational institutes in northern India for imparting quality education in all major engineering disciplines. The institute was accorded the status of Deemed University in 1985 by UGC and AICTE.

As a part of our under graduate curriculum, students are required to undergo Industrial Training under Project Semester Scheme. The prime objective of this training is to sharpen their technical skills by exposing them to Industrial environment, along with adoption of value based Industrial culture, while being engaged in industrial problem solving. A **faculty coordinator** is assigned for monitoring the progress of the student(s) through interaction with their Industry supervisor(s). It is hoped that this will help in strengthening Industry Institute Interaction. In this context we seek the kind cooperation of your organization.

It is to bring to your kind notice that our next batch of third year Mechanical, Production and Mechatronics Engineering students shall be ready for undertaking their training from **January to June, 2017**. It is requested that a slot may please be provided for the student **Prabhpreet Singh (Roll No. 101688013)**, a BE student in the Department of Mechanical Engineering to carry out training in your reputed organization.

It would be appreciated, if you kindly look into the possibility of offering stipend and accommodation to the students during their training period.

Dear Sir / Madam,

Thapar University, Patiala, is one of the premier educational institutes in northern India for imparting quality education in all major engineering disciplines. The institute was accorded the status of Deemed University in 1985 by UGC and AICTE.

As a part of our under graduate curriculum, students are required to undergo Industrial Training under Project Semester Scheme. The prime objective of this training is to sharpen their technical skills by exposing them to Industrial environment, along with adoption of value based Industrial culture, while being engaged in industrial problem solving. A faculty coordinator is assigned for monitoring the progress of the student(s) through interaction with their Industry supervisor(s). It is hoped that this will help in strengthening Industry Institute Interaction. In this context we seek the kind cooperation of your organization.

It is to bring to your kind notice that our next batch of third year Mechanical, Production and Mechatronics Engineering students shall be ready for undertaking their training from **January to June, 2018**. It is requested that a slot may please be provided for the student **Devyansh Goyal (Roll No. 101509011)**, a BE student in the Department of Mechatronics Engineering to carry out training in your reputed organization.

It would be appreciated, if you kindly look into the possibility of offering stipend and accommodation to the students during their training period.

Hoping for a positive and an early response

Dear Sir / Madam,

Thapar University, Patiala, is one of the premier educational institutes in northern India for imparting quality education in all major engineering disciplines. The institute was accorded the status of Deemed University in 1985 by UGC and AICTE.

As a part of our under graduate curriculum, students are required to undergo Industrial Training under Project Semester Scheme. The prime objective of this training is to sharpen their technical skills by exposing them to Industrial environment, along with adoption of value based Industrial culture, while being engaged in industrial problem solving. A faculty coordinator is assigned for monitoring the progress of the student(s) through interaction with their Industry supervisor(s). It is hoped that this will help in strengthening Industry Institute Interaction. In this context we seek the kind cooperation of your organization.

It is to bring to your kind notice that our next batch of third year Mechanical, Production and Mechatronics Engineering students shall be ready for undertaking their training from **January to June, 2018**. It is requested that a slot may please be provided for the student **Nikhil Arora (Roll No. 101509026)**, a BE student in the Department of Mechatronics Engineering to carry out training in your reputed organization.

It would be appreciated, if you kindly look into the possibility of offering stipend and accommodation to the students during their training period.

Hoping for a positive and an early response

Thanking you,

With due regards

Dear Mr Wallia

**INVITATION LETTER FOR INTERNSHIP**

I am pleased to extend to you an invitation for internship with our Department of Biomedical Engineering, Faculty of Engineering at the National University of Singapore ("NUS").

The internship shall be for a period of 5 months and scheduled to take place from 26 December 2017 – 26 May 2018, subject to any change in the commencement date.

Details of the expected activities during your internship are set out in the attached Annex A.

Your supervisor will be Assistant Professor Ren Hongliang, Department of Biomedical Engineering, and you will be expected to follow the instructions of your supervisor for the duration of your internship.

By accepting this invitation, you understand, acknowledge and agree that:

1. (a) In the course of your internship, NUS' Confidential Information (as defined below) may be disclosed to you in tangible, oral or visual form and identified as confidential or proprietary or with words of similar import, or through observations made by you through your access to NUS' premises during your internship. You agree (i) to hold in the strictest confidence and not disclose to any third party, whether directly or indirectly, such Confidential Information, (ii) not to remove any document, diskettes, tapes, equipment or other materials containing or referring to such Confidential Information from NUS' premises, and (iii) not to copy or reproduce or permit others to copy or reproduce, in or by any form, media or device, any documents, diskettes, tapes or other materials containing or referring to such Confidential Information, without NUS' prior written permission. You shall also return immediately to NUS upon our request all documents, diskettes, tapes and other materials held by you containing or referring to Confidential Information.  
  
(b) Your obligations to maintain confidentiality and secrecy shall apply during and after your internship until such time that the Confidential Information has been made public by NUS.  
  
(c) "Confidential Information" means all information (whether recorded or not and in whatever form or media) which are not available to the public, relating to all or any part of the business, property, assets, technology, activities, services, financial affairs, management and administration of NUS, including information relating to NUS' staff, students, donors, alumni, business or academic partners, clients, suppliers and any third party dealing with NUS.
2. You will be subject to the terms set out in the attached Annex B relating to obligations under the Personal Data Protection Act 2012.

3. For purposes of determining the rights in respect of intellectual property created by you in the course of your internship, NUS' Policies Relating to University Intellectual Property ("NUS IP Policy"), updated from time to time, shall apply to you as if you are a University Member (as defined in the NUS IP Policy) and shall take precedence over any inconsistent obligations you may have to your employer in respect of such rights. A copy of the current NUS IP Policy (010109 v110309) is attached hereto for your reference.
4. During your internship, you will be expected to conform to all applicable NUS policies, rules and regulations as may be conveyed to you by your supervisor and/or other NUS staff from time to time.
5. NUS shall not be providing any financial support for your visit. You will be expected to provide your own funding to cover all the expenses of your internship at NUS and make your own arrangements for travel, accommodations and insurance to cover medical, personal accidents, loss and/or damage to personal effects and any other contingencies, in relation to yourself and any accompanying dependents.
6. NUS may terminate the internship with immediate notice and without payment of any compensation should you:
  - (a) be charged with or convicted by a court of law of any crime which in NUS' opinion is likely to bring NUS into disrepute; or
  - (b) in NUS' opinion, be guilty of insobriety or misconduct or gross impropriety; or
  - (c) fail to observe any of the terms and conditions of this invitation.

You will be expected to provide your own funding to cover all other expenses of your visit at NUS, including insurance to cover medical, personal accidents, loss and/or damage to personal effects and any other contingencies. Any travel, accommodation and other expenses incurred in relation to accompanying dependents, if any, shall be borne by you.

7. You are solely and personally responsible for, and undertake to settle prior to leaving Singapore, all personal debts and liabilities incurred during or as a result of your visit, including but not limited to any income and other personal taxes that may be payable to the Inland Revenue Authority of Singapore ("IRAS") and other personal expenses that you may have incurred in relation to your stay in Singapore. You shall also return to NUS any laptops or other equipment, security cards, keys and other items that were loaned to you by NUS during your visit.
8. This invitation shall be governed by and construed in accordance with the laws of Singapore.
9. This invitation is contingent upon you being granted the appropriate work permit or pass by the Ministry of Manpower, Singapore, which shall be applied for at your cost.

If you accept this invitation, please sign and date your acceptance on the duplicate copy of this letter and return the same no later than 14 December 2017 to:

**Subject: Project Semester Training in Industry (Jan – June, 2018)**

Dear Sir / Madam,

Thapar University, Patiala, is one of the premier educational institutes in northern India for imparting quality education in all major engineering disciplines. The institute was accorded the status of Deemed University in 1985 by UGC and AICTE.

As a part of our under graduate curriculum, students are required to undergo Industrial Training under Project Semester Scheme. The prime objective of this training is to sharpen their technical skills by exposing them to Industrial environment, along with adoption of value based Industrial culture, while being engaged in industrial problem solving. A faculty coordinator is assigned for monitoring the progress of the student(s) through interaction with their Industry supervisor(s). It is hoped that this will help in strengthening Industry Institute Interaction. In this context we seek the kind cooperation of your organization.

It is to bring to your kind notice that our next batch of third year Mechanical, Production and Mechatronics Engineering students shall be ready for undertaking their training from **January to June, 2018**. It is requested that a slot may please be provided for the student **Kritin Sharma (Roll No. 101509017)**, a BE student in the Department of Mechatronics Engineering to carry out training in your reputed organization.

It would be appreciated, if you kindly look into the possibility of offering stipend and accommodation to the students during their training period.

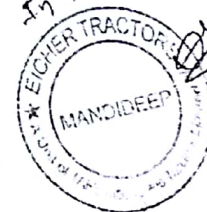

Hoping for a positive and an early response

Thanking you,

With due regards

**Subject: Project Semester Training In Industry (Jan - June, 2018)**

Dear Sir / Madam,

Thapar University, Patiala, is one of the premier educational institutes in northern India for imparting quality education in all major engineering disciplines. The Institute was accorded the status of Deemed University in 1985 by UGC and AICTE.

As a part of our under graduate curriculum, students are required to undergo Industrial Training under Project Semester Scheme. The prime objective of this training is to sharpen their technical skills by exposing them to industrial environment, along with adoption of value based Industrial culture, while being engaged in industrial problem solving. A faculty coordinator is assigned for monitoring the progress of the student(s) through interaction with their Industry supervisor(s). It is hoped that this will help in strengthening Industry Institute Interaction. In this context we seek the kind cooperation of your organization.

It is to bring to your kind notice that our next batch of third year Mechanical, Production and Mechatronics Engineering students shall be ready for undertaking their training from **January to June, 2018**. It is requested that a slot may please be provided for the student **Inderjit Singh (Roll No. 101509015)**, a BE student in the Department of Mechatronics Engineering to carry out training in your reputed organization.

It would be appreciated, if you kindly look into the possibility of offering stipend and accommodation to the students during their training period.

Hoping for a positive and an early response

Thanking you,

With due regards

Dear Arjun,

I am pleased to offer you a position for research internship in the Energy Science and Engineering Department at IIT Bombay, Powai. Your assignment will be effective from January 2, 2018 and is expected to continue till June 30, 2018.

In this position you will report directly to me and your primary research area will be in "Gasification and alternate fuels for IC engine". You will have to submit a project report at the end of your training.

The intern position is not carrying any financial support or emoluments and no hostel accommodation can be guaranteed.

I'm looking forward to have you as a member of the research program. Please indicate the acceptance of this offer by signing the original of this letter and returning it to me. The copy should be retained for your records.

Sincerely,

(Prof. Sandeep Kumar)

cc: Dr. S.K. Mohapatra (Sr. Professor and Head)

Dear Sir

Thank a lot for facilitating our interaction with students and arranging the interviews.

It gave us a wonderful opportunity to interact with young Thaparians.

We are glad to extend internship to following students starting from Jan 2018 –

1. Rajanpreet Singh
2. Vishal Garg
3. Mohit

Request you to confirm their willingness to join.

We will share details of project to be undertaken and date of joining by end of Oct, 2017.

Regards

Mridul
