Applications (preferably through email) are invited for the post of Junior Research Fellow/Senior Research Fellow/Research Associate in the CSIR sponsored major research project. The details of the project are as follows.

Name of the project: “Influence of isospin degree of freedom on disappearance of directed and elliptical flow in intermediate energy heavy ion collisions”.

Broad Area: Theoretical Nuclear Physics

Emoluments: As per CSIR rules

Last date for receiving applications: 5th January, 2015

Eligibility criteria:
- JRF: M.Sc. in Physics 55% + NET/GATE qualified
- SRF: M.Sc. in Physics 55% + Two years research experience
- RA: Ph.D. submitted/awarded in Theoretical Nuclear Physics

Complete biodata should be submitted by 5th January, 2015.

Dr. Suneel Kumar
(Principal Investigator)
