

## **Information about the arrival**

At the arrival of the selected student in the receiving institute a welcome meetings will be scheduled and information will be provided on enrolment procedures. Shortly after the enrolment, an identity card will be issued to student. This card will give access to library, hostel facilities and IT services. Center of information and technology department (CITM) of TIET will help in getting all IT services. Office of Dean of student affair (DOSA) will help in getting all facilities of hostel and medical services of TIET. For further information student can contact to Academic coordinator of this project.
