

TIET-VT

**Center of Excellence in Emerging Materials  
(CEEMS)**

**Research Internship at the Centre of Excellence in Emerging Materials**

Established under an agreement signed on May 29, 2019, between Virginia Polytechnic Institute and State University (Virginia Tech), USA and Thapar Institute of Engineering and Technology (TIET), Patiala (Punjab), India, a **Center of Excellence in Emerging Materials (CEEMS)** was established at TIET to conduct high-quality research in the broad field of a new generation of materials.

CEEMS provides undergraduate and graduate students with an excellent opportunity to conduct innovative research and development under the supervision of CEEMS faculty members. The duration of the programme shall be at least six months, with a consolidated fellowship of Rs 5,000/-. The candidates enrolled in the second and third years of B.Tech. as well as in their second year of M.Sc./M.Tech. programme are eligible to apply for the CEEMS Research Internship Program at TIET. The CVs must be submitted by March 15, 2022. The shortlisted candidates will be contacted for an interview. The internship programme will begin on April 1st, 2022.

Interested students can send their CVs to Prof. Rajeev Mehta, Coordinator CEEMS at **Email ID: [rmehta@thapar.edu](mailto:rmehta@thapar.edu)**, with a copy to Dr. Shagun Kainth at **Email ID: [shagunkainth92@gmail.com](mailto:shagunkainth92@gmail.com)**
