Pre-requisites/Guidelines

- Individual or group participation in any technical or cultural (online or offline) inter-institute competition will only be considered for the award if TIET receives a formal invitation from the host institution, the participation is recommended by the President of the concerned Society/Club/Chapter and approved by HoD/Dean, Student Affairs. (Documents pertaining to approvals need to be attached with the application).
- In considering student participation in offline or online national or international events/Olympiads/quizzes/publications for the award, documents including formal invitation and approval for participation from the HoD/Dean, Student Affairs must be attached with the application.
- Individual/group participation in online gaming/coding events will not be considered for the award, unless it is recommended by the President of the concerned Society/Club/Chapter and approved by the Dean, Student Affairs.
- No photographs of participation or of the trophy will be considered as evidence of participation or winning the intra or inter-institute competition. The student must present documentary evidence, a certificate of participation/winning, duly signed by competent authorities of the event hosting institute/society/club/chapter, to stake his/her claim for the award.
- In case a student misplaces/loses his/her certificate of participation/winning in any intra-institute competition, he/she must get his/her participation/winning certified by the President of the concerned Society/Club/Chapter.
- In case a student misplaces/loses his/her certificate of participation/winning in any inter-institute competition, he/she must get his/her participation/winning certified by the HoD/Dean, Student Affairs of the event-hosting institute.
