➤ The above mentioned scholarships shall be decided on the basis of family income, but satisfying the minimum criteria of CGPA. In case of same family income, the student having more CGPA shall be awarded the scholarship. If the CGPA is also same, then AGPA of the previous year would be considered for the award of scholarship. If AGPA remains same then total marks of previous (two semesters) year will be considered.

➤ For more details related to the above scholarships please visit the TIET website [www.thapar.edu](http://www.thapar.edu) under window SCHOLARSHIPS.

>Students applying for scholarship will have to submit all the relevant certificates toward their claim.

>The candidate should not be a recipient of any other scholarship during the year.

> The right of awarding the scholarship shall lie with the award committee

➤ The information provided by the applicant for availing the scholarship can be verified by the committee at any point of time. If any information found is false, scholarship will be withdrawn and disciplinary action will be taken against the student.
