Dear Students,

We would like to inform you that if you missed your Mid-Semester Test (MST) due to medical reason/s, you have the opportunity to apply for a makeup test.

Students admitted in the Ph.D Program at TIET in January 2026 will appear for their regular Mid Semester Examinations during Make Up Examination days and they need not apply for Make Up Examinations.

Some important points to note regarding the Make- Up Examinations:

- 1) The procedure for filling out the necessary information and submitting proof documents will be entirely online through an **e-ticketing system** (<https://eticket.thapar.edu/>) provided by the CITM cell at TIET.
- 2) A fee of **Rs 2000/-** per subject will be associated with the makeup test.
- 3) Once the fee for the makeup test is paid, there will be **No Refund or Adjustments applicable in case of non appearing in Make-up examination.**
- 4) In the event of a **false Medical certificate or misleading information provided by the student, it will lead to rejection of e-Ticket.**
- 5) No submissions will be accepted after the specified deadline under any circumstances.

To make the process more convenient for you, we have provided a link to an instructional video that includes detailed procedures for applying for a makeup test.

It is strongly recommended to watch the video before proceeding to fill out your form as per link below:

This communication does not pertain to the rescheduling of any missed sessional assessments, such as quizzes or lab evaluations. If you missed a sessional, we advise you not to approach the DoAA office, as any concerns regarding missed sessional will be addressed exclusively by the respective faculty or the Head of the Department.

Last date to submit the information (with all proofs) through e-Ticket -- 5th April, 2026 (11:59 PM IST)

Tentative Start Date of Makeup Examination -- 2nd / 3rd Week of April 2026.
